

Local Anesthesia Certification Course

Middlesex Community College, Lowell, MA

October 7, 8, 9, 2017 Clinical. Online study July 10 – October 2

Middlesex Community College's has been training RDH in local anesthesia since 2005. This course is recommended for registered dental hygienists who would like to become certified in local anesthesia. MCC complies with the Mass. Board of Registration in Dentistry regulations for the administration of local anesthesia. At completion, RDH will be able to administer safe, effective, and painless local anesthesia with confidence and competence and be prepared to take the CDCA exam. The course consists of a 40-hr

on-line study (independent and self-paced) prior to clinical training, interactive presentations, and a 3-day clinical training in which students will have 30 injection experiences and a clinical final exam. CDCA exam is a separate fee. Course director and lead instructor: Debra November-Rider, RDH, MSDH. Questions please call 781-280-3570 or e-mail [wrighte@middlesex.mass.edu](mailto:wrighte@middlesex.mass.edu)

24 seats available for our next session. Complete details:
