

**Cape Cod Community College  
Presents Local Anesthesia Certification**

Courses ONLINE from 9/22-11/2/2018 \*Registration deadline 9/14/2018  
Instructor: Denise Bridges

Lab Course Code: WHD002L-65  
Lab Dates: Sat. 11/3, Sun. 11/4, and Sat. 11/10 8:00am-5:00pm  
Lab Location: Wilkins Family Dental Hygiene Clinic

Cost: \$1199

This course will provide a comprehensive study of local dental anesthetics utilized in the dental hygiene profession. During lecture and lab components, the participant will learn to safely administer topical and local dental anesthetics.

Course # WHD002 is taught in two phases, and includes 11 hours of on-line pre-study exercises and assignments, 12 hours of on-site didactic instruction, and 14 hours of on-site clinical instruction. It is specifically designed to provide the participant with the 35 hours of local anesthesia instruction required to prepare the participant to take the NERB Local Anesthesia Examination and obtain the "Permit L" Local Anesthesia licensure from the State of Massachusetts. (This course covers the Massachusetts Rules and Regulations 234 CMR 3.09-3.14, and the requirements for administration of local dental anesthetics by dental hygienists.)

Fee: The fee for each course listed above is \$1,199.00 per person, (online component \$549.00, lab component \$650.00). The course is limited to 14 participants.

Payment may be made by check (made payable to Cape Cod Community College) or credit card at the time of registration. At the close of registration (deadline date), and once payment is received, participants will be notified by mail or e-mail and given his/her login name and password. This process may take several days. After receiving this information, the student will have access to the on-line pre-study course material.
