

## **NEW! Alzheimer's Disease and Dementia Care for Healthcare Professionals**

Take the path to Certification as a Certified Dementia Practitioner or attend to enhance your knowledge and expertise. The Certified Dementia Practitioner is the earned credential that recognizes the highest standard in Alzheimer's disease and dementia care education. The only way to provide successful dementia care is to understand the disease process and the significance behind the dementia related behaviors. Certification is essential for today's health care professional as the dementia population continues to rise.
