

Hello MDHA Dental Hygienists!

We invite you to bring your professional dental hygiene clinical skills to MCPHS University and the Forsyth School of Dental Hygiene (FSDH). The FSDH is seeking applicants (part time) to work with dental hygiene students in the clinical/lab settings for the fall semester.

Adjunct faculty are needed to provide clinical instruction to students in Preclinical Dental Hygiene, Clinical Dental Hygiene, Dental Materials and Radiology Labs. Clinic and lab sessions are scheduled five days a week and some evenings. Adjunct clinical faculty must have earned a Bachelor's degree in dental hygiene or a related discipline, and hold (or be eligible to hold) a Massachusetts' dental hygiene license and local anesthesia permit. To apply for an adjunct faculty position, please go to <https://careers-mcpchs.icims.com/jobs/search?ss=1&searchKeyword=dental+hygiene>, and submit your application!

*MCPHS University is an equal opportunity employer. Applicants who would enrich the University's diversity are encouraged to apply.*
