November 20, 2019)**

**4/4/20**

**8:00 a.m. - 1:00 p.m.**

**\$350 (\$375 after  
March 18, 2020)**

**8/8/20**

**8:00 a.m. - 1:00 p.m.**

**\$350 (\$375 after  
July 22, 2020)**

This course will provide an overview in laser principles, application, and safety through didactic and hands-on practice. Participants will have the opportunity to work with a variety of diode lasers, specific to dental hygiene application, on pig jaws and live patients with guided supervision. At the conclusion of this course, hygienists will have the confidence and knowledge to apply laser use in the private practice setting. In order to provide personalized instruction, **class size is limited to the first 15 registrants. 5 CEUs. Course prerequisites: current dental hygiene license and current malpractice insurance.**
