

Massachusetts HPV Coalition Presents:

8th Annual HPV-Related Cancer Summit

Join us to learn about the latest research and best practices for preventing HPV-related cancers. This two-day virtual event features cancer survivors and national experts, including Tamika Felder, Dr. Rebecca Perkins, MD MSc, and Dr. Alessandro Villa, DDS, MPH, PhD.

Join us on:

Friday, December 4th 1-4pm EST

Friday December 11th 1-4pm EST

Agenda topics include the impact of COVID-19 on HPV vaccination rates, vaccination and cancer disparities, newly released cervical cancer guidelines, dental screening for HPV-related cancer, and much more. Registration is open to all healthcare providers, public health advocates, and community members interested in HPV-prevention. Friday, December 11th features separate tracks dedicated to oral HPV and cervical HPV prevention.

Tickets are \$25 for access to both days. Continuing education credits are available.

Click here to register or visit **mahpvcoalition.org** for more information.

If you are a community member or need financial assistance to attend, email devan_carr@dfci.harvard.edu for ticket sponsorship.
