Need Your Professional Resume Reviewed?

Pat Hart, the Director of Recruiting from 42 North Dental has offered to review your resumes for FREE and provide helpful feedback prior to entering the professional world!

If interested, send you resumes to: pat.hart@northdental.com

Speaker Update

Angela Martin, RDH
@ANGELAHYGIENIST

Angela Martin is an experienced dental professional who has encompassed various roles during her 18 year career in dentistry. Now, a Registered Dental Hygienist turned Senior Specialist of University Relations, Angela has evolved from a dental assistant, benefits coordinator, and practice manager. After 13 years of clinical dental hygiene, Angela is pursuing a Bachelor of Science Ed.

at the College of southern Nevada while working full-time with the Pacific Dental Services University Relations Her current role focuses on creating and maintaining relationships with dental hygiene programs nationwide and providing advanced education regarding the "real world" of dental hygiene post licensure, as well as providing resources for career building. Following many lectures and presentations, Angela has received raving reviews from students and Instructors alike. With mentorship as her core belief and best practice, Angela is the current Component Trustee for the Southern Nevada Dental Hygienist Association and a participant in their local student mentorship program.

#CovidCantStopTheSummit

Remember the date... #4321

My name is Taylor Cole, I am 27 years old I am the Vice President of the class of 2021 QCC Dental hygiene program. I chose dental hygiene because I really just love seeing people smile and have confidence in their smile, being able to help them achieve that and educating more on oral health is very rewarding to me. I have been a dental assistant for the last 6 years and wanted to change to hygiene to further my education and become more independent. Hygiene school has given me a chance to make great friends, and I cannot wait for all of us to graduate together and start our careers!

My name is Tim and I'm a dental hygiene student at QCC. I am the president of my class and graduate this spring. I chose dental hygiene because I've been a dental assistant for 4 years and wanted to further my career in dentistry, so I can become a well-rounded clinician. Above all I enjoy educating patients on achieving their optimal oral health. I hope one day to become a dental hygiene instructor so I can teach the future generation of hygienists.
