

Wollaston, MA

Wollaston Dental Group is a growing practice looking for a full-time Registered Dental Hygienist to join our team! The qualified individual is responsible for the direct provision of oral hygiene and appropriate preventive services to our patients. Typical duties include but are not limited to: providing oral hygiene services and oral health education to dental patients, regulating patient flow within the office, and assisting with various other clinical functions of the Dental office.

The Hygienist should practice strict adherence to infection control protocols and policies regarding the sterilization of dental instruments, adherence to radiation policies and procedures, impression-making and pouring, communicating dental supply inventory needs, and excellent customer service skills.

Requirements:

- Graduation from an accredited Dental Hygiene school.
- Unrestricted license to practice Dental Hygiene in the state of MA.
- Two years related dental experience, preferred but not required.
- Able to work effectively at all levels in collaborative team environment.
- Knowledge of administrative and clerical procedures and systems such as word processing, managing files and records, and other office procedures and terminology.
- Current CPR (BLS) certification.
- Local Anesthesia Certification preferred.
- Ability to work harmoniously with diverse groups of individuals required.
- Perform outreach to patients on overdue recalls, fill scheduling openings, and ensure that required recall services are update to-date in appointments.

Pay: From \$41.00 per hour

If this position is a great fit for you but the location is not, please do reach out as we have multiple offices across the region actively filling part-time and full-time openings. We look forward to hearing from you.
