

9th Annual

# HPV Related Cancer Summit

Friday, December 3<sup>rd</sup> & 10<sup>th</sup> on Zoom

Join us as we bring together national experts to discuss the latest advances and best practices in HPV-related cancer prevention. Speakers include Dr. Noel Brewer, Dr. Rebecca Perkins, Dr. Rosh Sethi, Dr. Sarah Feldman, Dr. Alessandro Villa, and more!

## Topics Include:

- Vaccine Hesitancy in the time of COVID-19
- Best Practices in Primary HPV Screening
- Recurrent Respiratory Papillomatosis Survivor Story
- Disparities in Cervical Cancer & Prevention
- Genotyping and Cervical Self-Swab
- Anal Cancer & Anal Cancer Screening
- Oropharyngeal Cancer Prevention & Treatment
- Implementing HPV Prevention in Your Dental Practice

Registration is open to all healthcare providers, public health advocates, and community members interested in HPV-prevention. We will also offer separate breakout tracks for oral health providers on both days.

Tickets are \$25 and include access to both days. We will also make the recording available to those who register. If you are a student or community member in need of financial assistance, email [devan\\_carr@dfci.harvard.edu](mailto:devan_carr@dfci.harvard.edu) for ticket sponsorship.

Continuing Education Credits are available for Physicians, Nurses, Dentists, and Hygienists who attend the live event. For questions related to credits, email [kelly@teammaureen.org](mailto:kelly@teammaureen.org).

[Click Here](#) to register or visit our website [mahpvcoalition.org](http://mahpvcoalition.org) for more information. We hope to see you there!
