Member Moment

**Amanda Berthiaume, RDH, CDA, MSDH, STCC Alum,
MDHA President**

She/her

Meet your MDHA 2022-2023 President!

Graduated in 2015 from Springfield Technical Community College (STCC) and in 2020 from Forsyth at MCPHS University with her Master's Degree in dental hygiene education. An active ADHA member since 2013, she is proud to serve as the president of the MassDHA. She works clinically for Wilbraham Dental Associates and as adjunct faculty in the STCC dental sciences program

Don't forget to say hello to her at the Summit!

LOBBY DAY 2023
Massachusetts State House
February 28, 2023
{More info to come...}

Hope & Comfort Reminder

Hope and Comfort is a non-profit out of Needham, MA. Their focus is on fighting against hygiene insecurity. What does that mean? Individuals and families in our community can not afford daily hygiene products that we all use every single day. This can involve shampoo, soap, or even a toothbrush. These products are easily taken for granted. Individuals who are enrolled in the Massachusetts S.N.A.P Program (formally known as the Food Stamp Program), are unable to purchase non-edible items such as toothpaste. This is where Hope and Comfort come in. They collect donated full size hygiene products and create individual hygiene kits for children (and families) of all ages. Each hygiene kit includes at least a bar of soap, a toothbrush, toothpaste, shampoo and deodorant.

At this year's Student Summit, we ask you all to bring at least one full-size hygiene product to donate to help fight against hygiene insecurity. The school with the most donated products will receive a prize!

*Registration details & form
will be sent out late
January/Early February!*
